Dear Mahmood Alaradi,

Thank you for your thoughtful message. I am pleased to provide a testimonial for your academic portfolio, as you have consistently demonstrated dedication, strong engagement, and steady growth throughout your studies. Your performance in both Web Fundamentals and Computer Programming 2 has been commendable, reflecting not only your technical abilities but also your positive attitude and willingness to learn.

Your commitment to completing tasks diligently and your active participation in class discussions make you a standout student. It has been a pleasure to witness your progress, and I am confident that you will continue to excel in your academic and professional journey.

Please feel free to let me know if you need any further details.

Good Luck

Sincerely

Subject: Request for Testimonial for Academic Portfolio

Dear Dr. Abdelhameed,

I hope you are doing well at a time like this. My name is Mahmood Alaradi (ID: 202404120). You taught me Web Fundamentals (IT 6012) last semester, and I am currently enrolled in your Computer Programming 2 class.

I am currently developing an academic e-portfolio for a course called “Market Yourself,” where we are asked to include testimonials from instructors who have had a meaningful impact on our learning experience. Since I greatly benefited from your teaching and guidance, I would sincerely appreciate it if you could provide a short testimonial about my performance, engagement, and growth as your student.

The testimonial can be brief and will only be used as part of my academic portfolio.

Thank you for your continued support and for making your classes such a positive learning experience.

Sincerely,
Mahmood Alaradi
