To whom it may concern,

I had the opportunity to teach Mahmood Alaradi in the Networking and Data Communications course (IT 6003). During this time, Mahmood demonstrated a strong work ethic, consistent engagement in class, and a clear commitment to his academic responsibilities.

He actively participated in discussions and showed a solid understanding of the course material, ultimately achieving excellent results. Mahmood was also cooperative in group activities and maintained a professional and respectful attitude toward both his peers and instructors.

Overall, Mahmood is a motivated and dependable student who approaches his studies with seriousness and dedication. I am confident that he will continue to perform well in his future academic and professional endeavors.

Subject: Request for Testimonial for Academic Portfolio

Dear Mr. Almaskati,

I hope you are doing well at a time like this. My name is Mahmood Alaradi (ID: 202404120), and I was a student in your Networking and Data Communications course (IT 6003).

I am currently working on an academic e-portfolio for my “Market Yourself” course, where we are required to include testimonials from instructors. I greatly enjoyed your course, I would truly appreciate it if you could write a short testimonial about my participation and performance as your student.

The testimonial can be just a few sentences and will only be displayed in my academic portfolio as part of my coursework.

Thank you again for your guidance during your first semester teaching; I learned a lot from your class.

Best regards,
Mahmood Alaradi
